Corporation for National & Community Service	0.035	p. 165
<b>Total, Specified Cuts</b>	<b>7.440</b>	

\* Cuts to "protected programs."

Table 4 includes specific cuts listed in the President's budget. The budget blueprint enumerated the dollar figure of the cut relative to the 2001 appropriated level of funding. The cuts would have been larger had the budget blueprint instead listed the funding needed to maintain purchasing power for these programs at their 2001 level.
